Centro Westlake

Centro Westlake is a Joint Development Project proposed by LA Metro and the Walter J Company.

The proposed Centro Westlake Project is a Joint Development project with LA Metro and is situated along Westlake Avenue between Wilshire Boulevard and 7th Street, located above the Westlake/MacArthur Park Metro Station.

The Centro Westlake Project will be designed to reflect a neighborhood that is rich with culture, community, and history. The proposed Project will serve as a gathering place that connects its residents to housing, transportation, and economic opportunities.

@centrowestlake

The proposed Project includes:

- Westlake/MacArthur Park Metro Station plaza enhancements
- 234 income-restricted apartment units for rent
- Approximately 700+ onsite job opportunities[1] including but not limited to hotel, parking, security, office, and retail jobs
- A marketplace featuring local vending and retail opportunities
- Arts and culture programming
- Community and business resources
